

A Message From Our President

To our valued members,

As a member-owned cooperative, the health and safety of our employees, members, and the community is a top priority.

Germania Credit Union is closely monitoring the developing situation of Coronavirus, also known as COVID-19. Along with our sponsor company Germania Insurance we are following guidelines from the Center for Disease Control and Prevention, the Texas Department of Public Health, and other sources to monitor the situation as it unfolds.

Currently our branch location is operating as usual.

We are implementing a Call Up/Drive Up for members practicing social distancing. Call us at 877-635-9405 during normal business hours and park in one of our GCU parking spaces at the home office and we will offer drive through service for all teller transactions.

While our branch location remains available, we recommend doing business through our digital channels including:
